DON'T TRY TO INTERFERE WITH IT...
ANYTHING IT TOUCHES WILL BE GONE IN AN INSTANT.
BASTARD...
.....

If that first attack would have hit me unexpectedly...

...would he actually have taken my head?

What the Hell?

Look at him, he's missing a completely good chance at me. What is he waiting for?

How has his sheer obstinance carried him this far...always refusing to compromise with me?

It's not right.

There's something more...

Yes...

For me to change my mind?

I can't believe that even **HE** would think of something so utterly idiotic.

Something else....

We've got to try and trace where the tail end of this communication with 'them' is coming from!
No matter what!!
Don't even let the smallest pulse pass by!!

After all this time, you still have the nerve to work out some kind of DEAL with them...
WITH THE HUMANS!!

Even now...
Even now, you're still trying to masquerade as the victim!!

A-ha.
So you're trying to communicate with 'them,' aren't you?

...How could they ever deserve to hear our words of forgiveness!?
Without any compen-sation for all the blood that's been shed...
They truly are a race perverted beyond belief, aren't they!?
You should be ashamed of your-self!!!

WHAT YOU SPEAK IS MOST LIKELY THE TRUTH.
BUT UNFORTUNATELY FOR YOU, YOU CAN'T DECIDE THIS PLANET'S FATE ON YOUR OWN.
...KNIVES...

In the town where you tore off my left arm...
Do you still remember?

?
That town, they...!!
Just think it of as way I used to help polish off your stubborness--
Ah... Yes, I thought that would be a good experience for you. So what about it?

You're wrong. All I said was, "there was a reason."
I'm saying that you didn't know the circumstances!!

You're supporting the murderers?
Is it really alright for those kind of senti-ments to come out of your mouth?

That town... they had a reason.
There was a reason... they couldn't live without killing the travelers...

They felt that if they didn't, everyone's lives would be in danger.

The people still continued to leave, knowing this fact very well..

Because of the nature of the planet, being sent out into the desert just like that would most definitely spell certain death.

They just told her that she should be happy to live her life alone, and sent her on her way.

They had angrily refused to let stay, sending her off carrying a multitude of desires and uncertainties.

She didn't know why she had been forced to leave by herself.

With tears falling from her eyes, she continued.

...F■■■■A■■■■Y...

Then one day, this girl was forced to travel...

She told me all of this, continuing to cry.

It's true that maybe, sending her off to a life of loneliness, so that she could still live... was a kind of reward.

She went on for hours upon hours.

To force upon her a life of such severity and harshness, it didn't seem all that merciful.

But still...

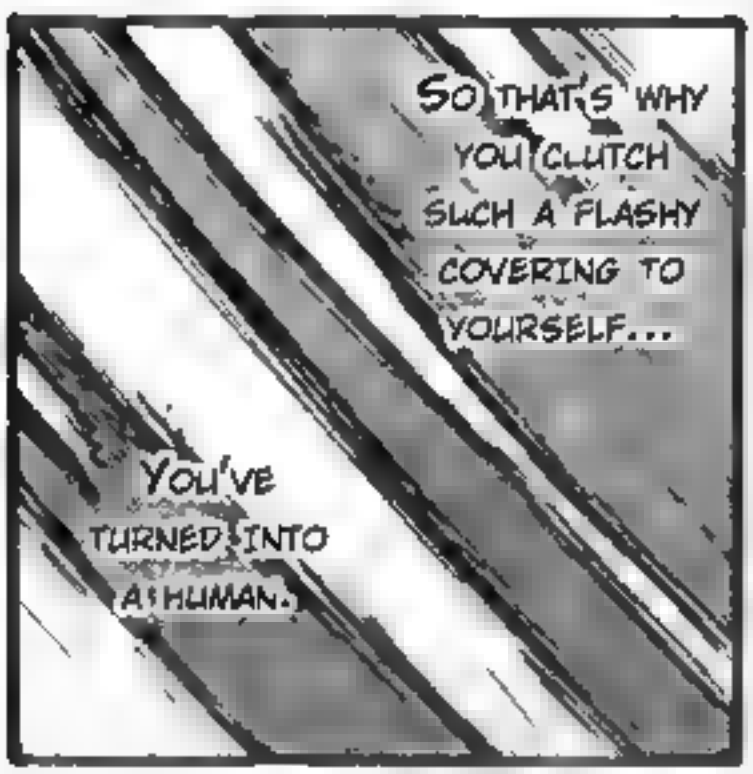
After that,
I decided to do some research.
However, even to the end, they weren't prepared to abandon the site.
As a result, they may have possibly saved hundreds of plants and thousands of humans from contamination.
It was a result of them leaving the plants to run wildly on their own.
Eventually, I found the cause.
The source of the contamination—
What is there to understand?
They were just eliminating the trash from a sad life that came about from their own incompetence, weren't they?
Do you understand now?
Knives...
This is...
The truth of that town— that we so easily overlooked.

NO!!
And on top of that, how...
...could you go on living without ever remembering that tragedy!?
Why, Knives, did you act without understanding anything about the situation!?
And for that, I will never forgive you.
You're just living in ignorance...the truth is clouded only by your unbridled arrogance.

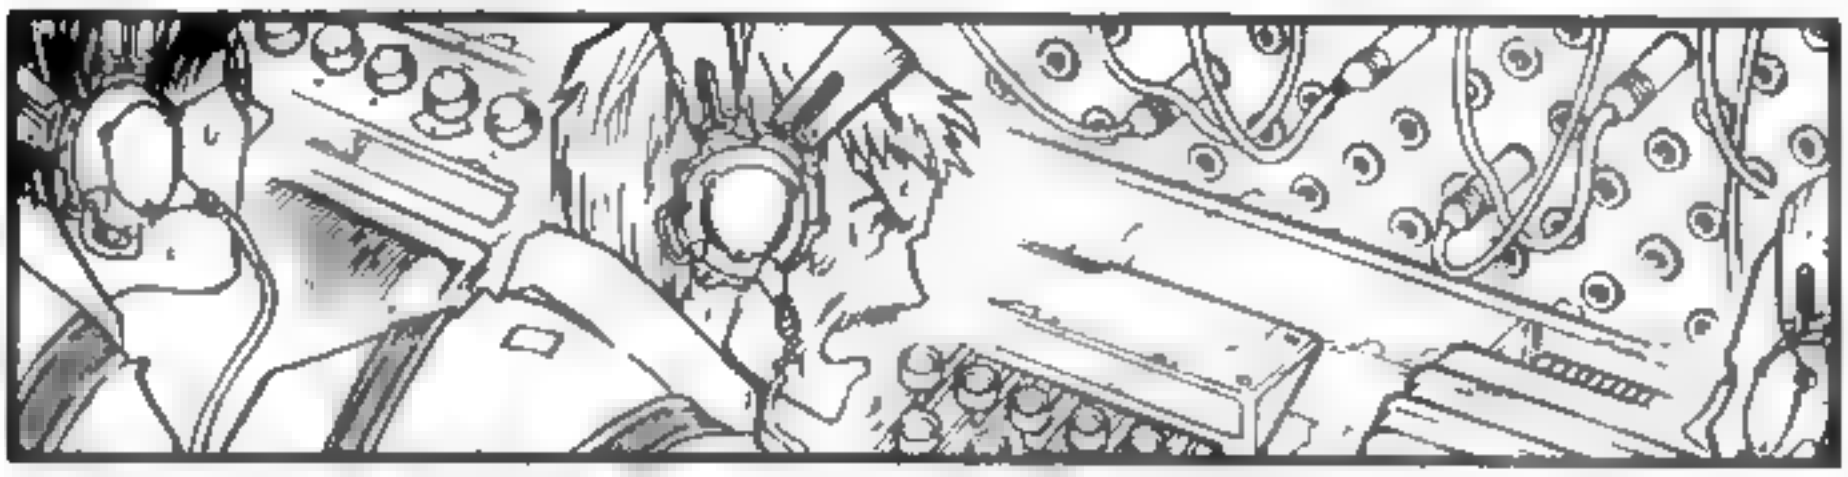
KNIVES!!



THAT'S IT.

YOU'RE ENTIRELY COMMITED TO THE FACT THAT YOU COULD DIE ANY MOMENT... JUST LIKE ANY OTHER MANIAC.

AND THAT'S WHY...



AND THAT IS—

BUT...

YOU'VE OVERLOOKED ONE VERY IMPORTANT THING, VASH.

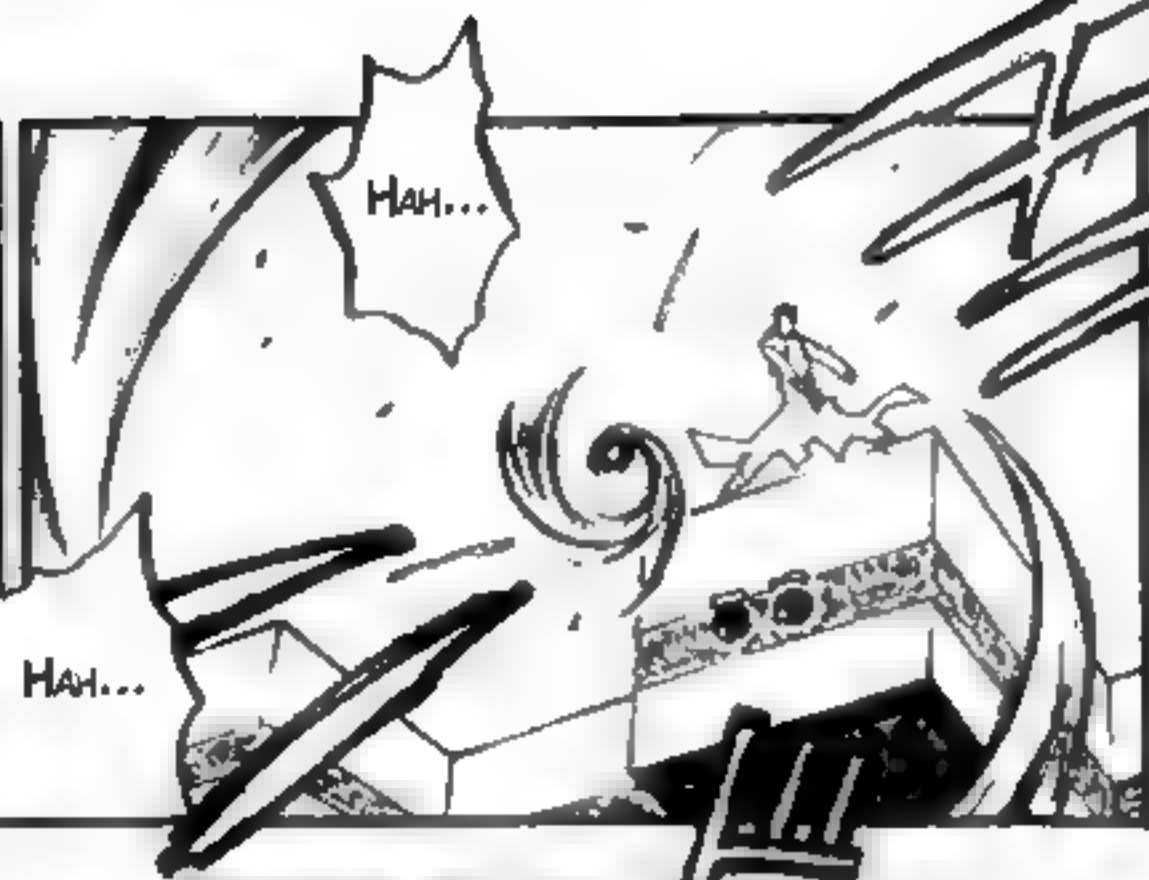
No....
STOOP!!!
How do you like that!?
Fuhaha...
Now have you realized the depth of your naivete!?
I could never do it better than those dumbasses down there!!
Living in ignorance?!

No matter how hard you try to save them, they'll do everything in their power to reverse all your work!!
The irony is unbelievable!
You...
Just shut up.

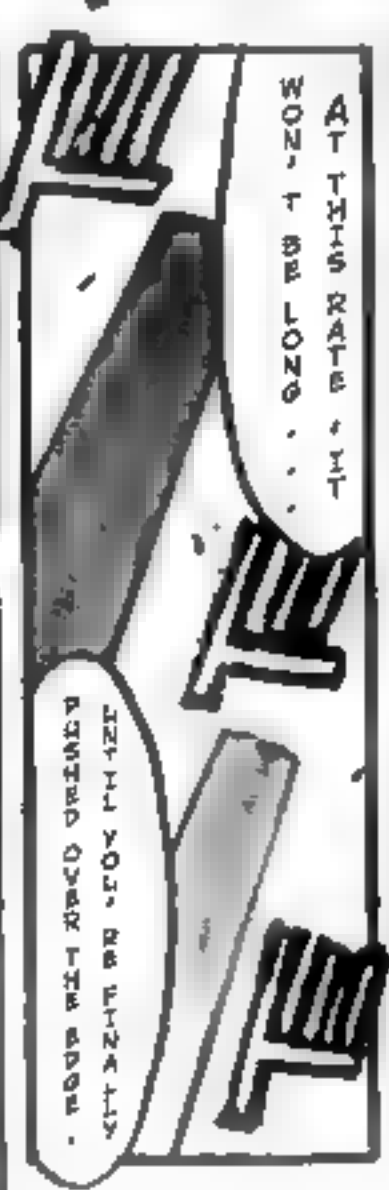
HAH...
HAAAH...



HAH...
HAH...

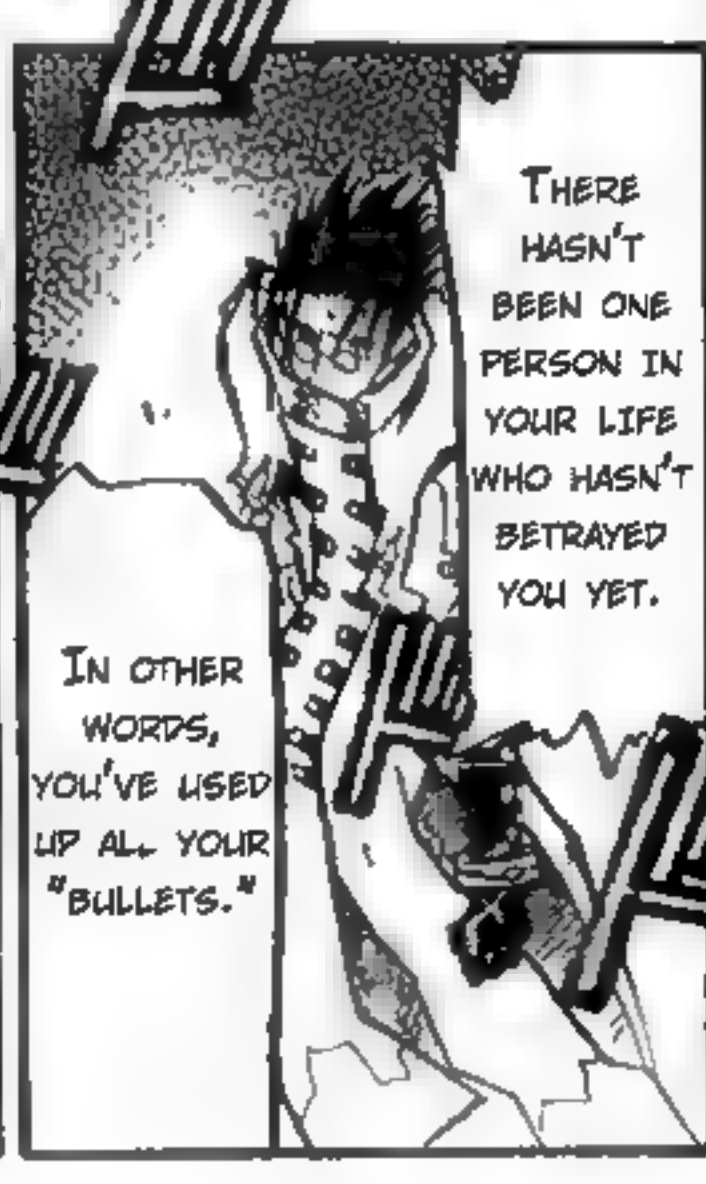
IN THE END, IT'S ALL THE SAME.
YOU'RE THE MOST PITIFUL MAN I'VE EVER SEEN.

HAHAHAA!!!
KUKUKU...



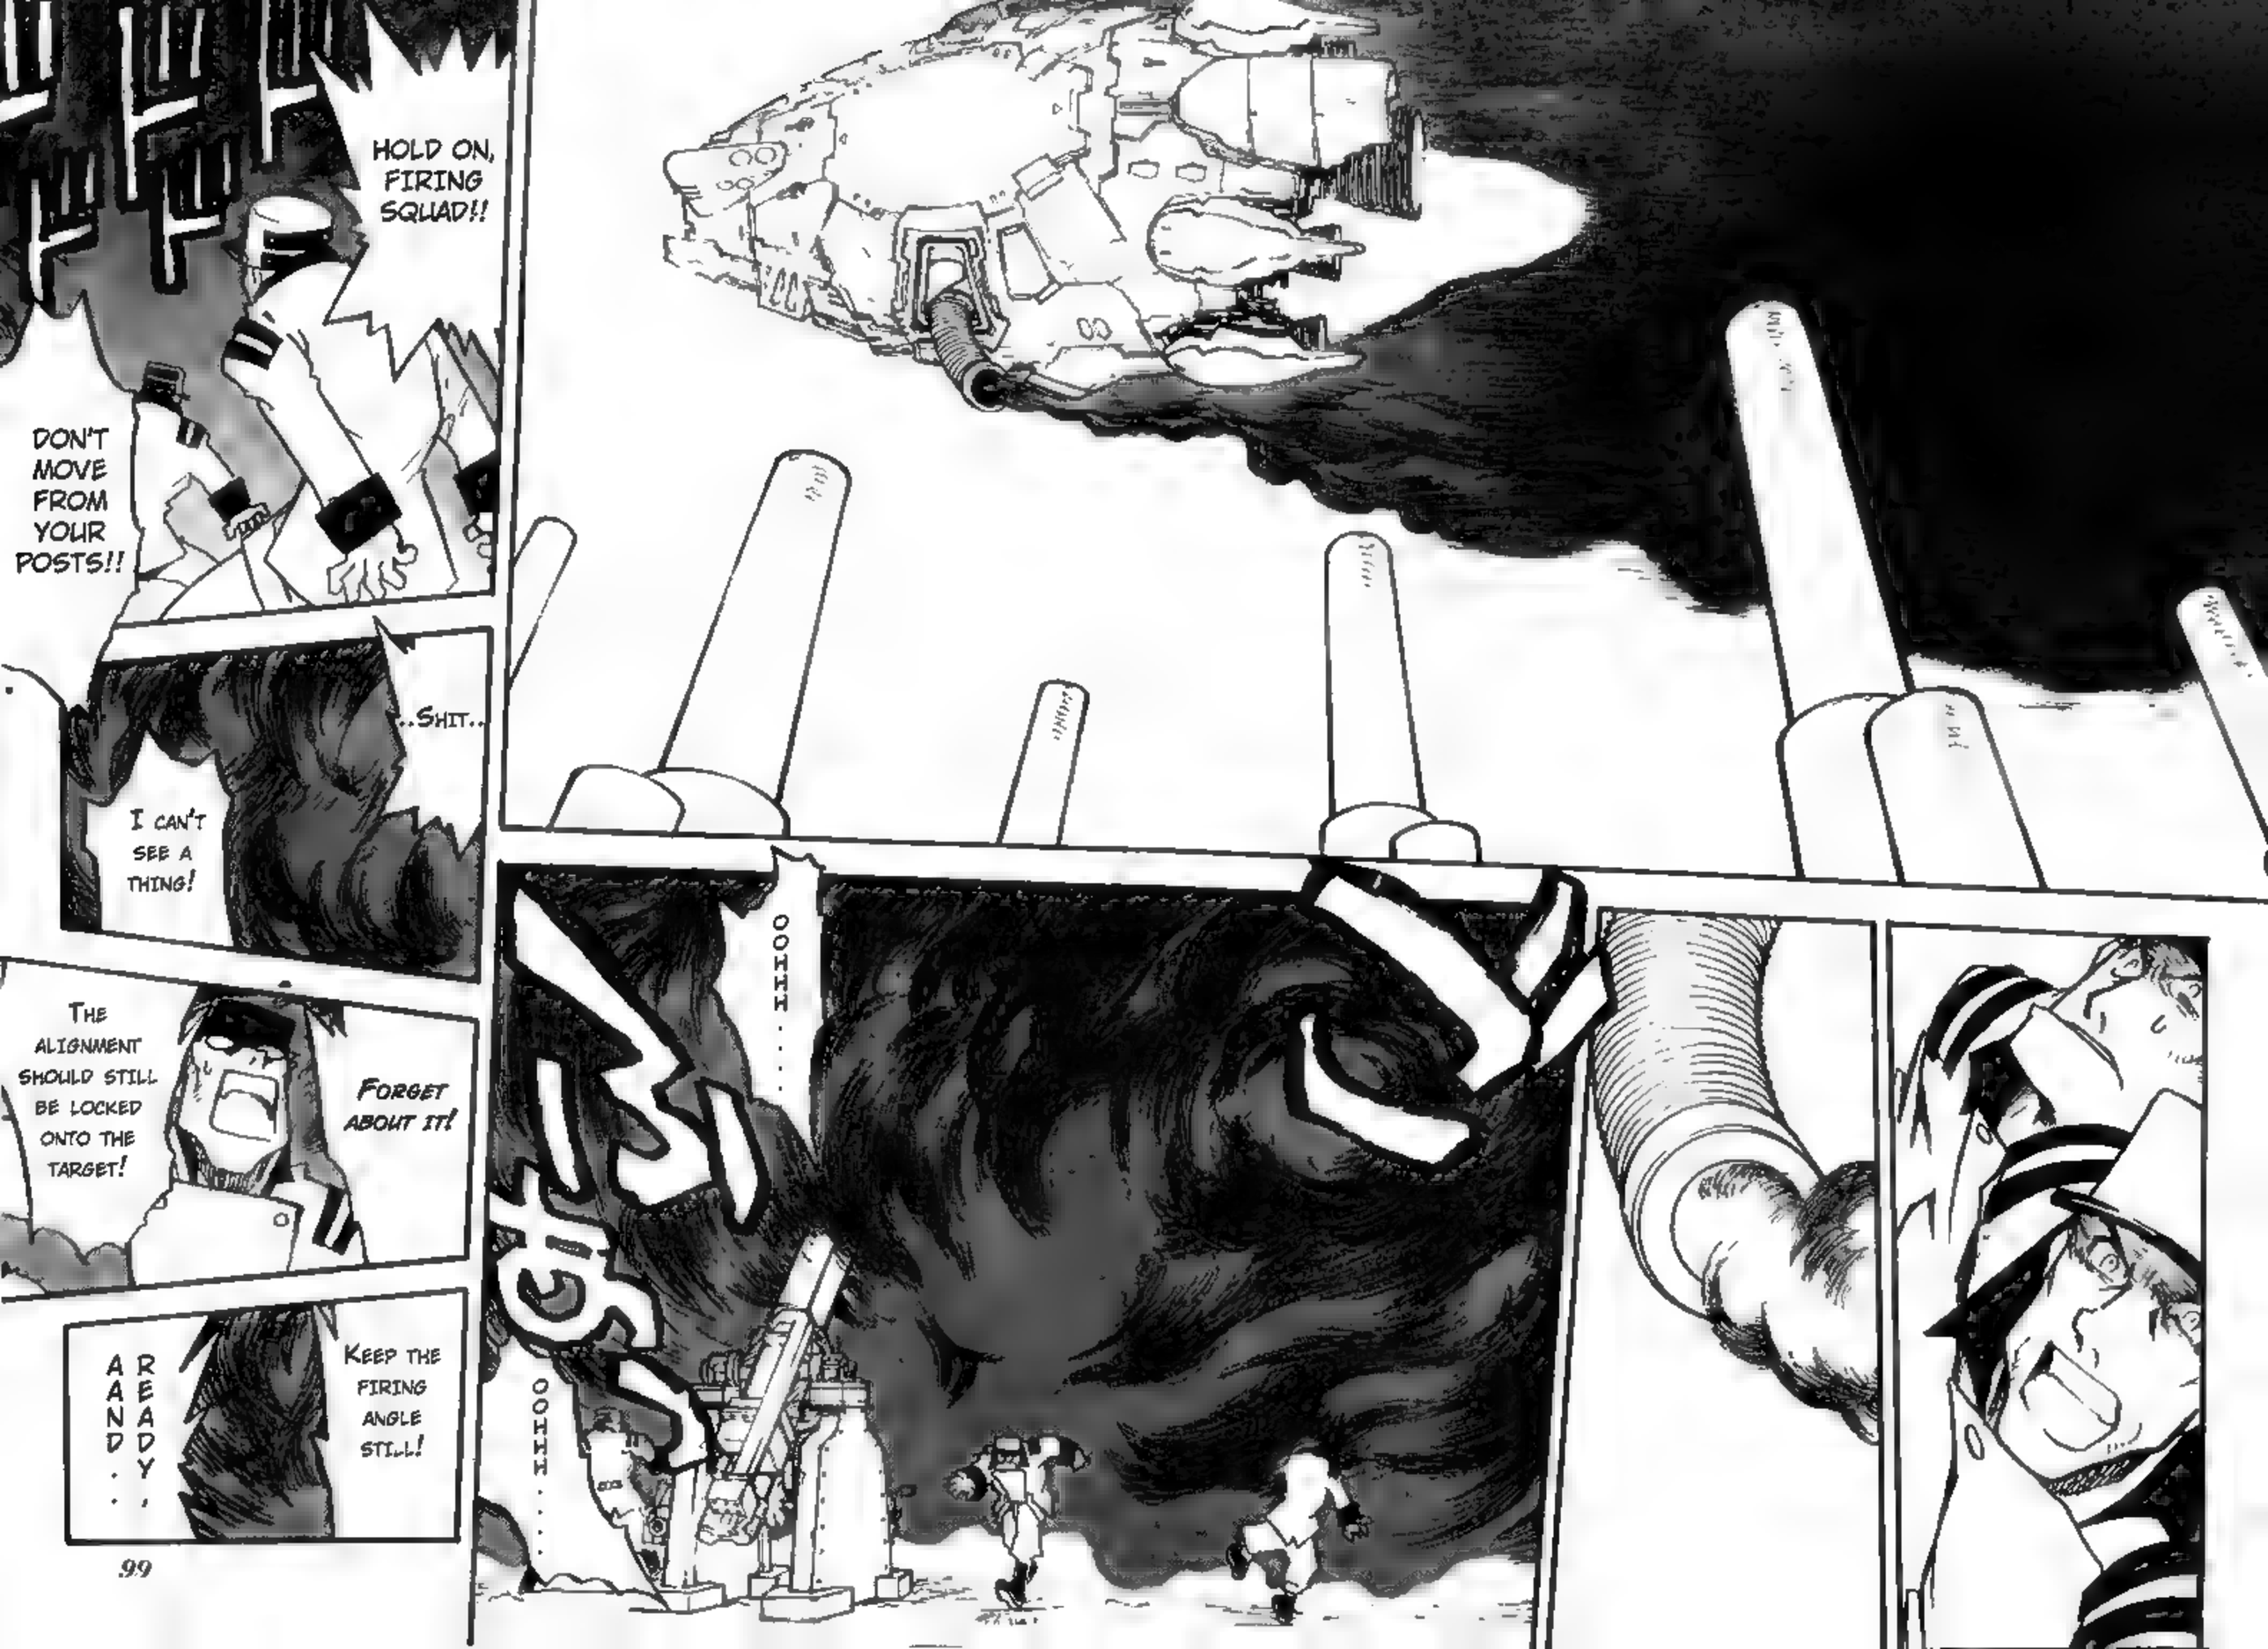
AT THIS RATE, IT WON'T BE LONG...
UNTIL YOU'RE FINALLY PUSHED OVER THE EDGE.

NOW THEN...
THE NEXT ONE'S COMING... LET'S SEE YOU BRING THAT TOWN!

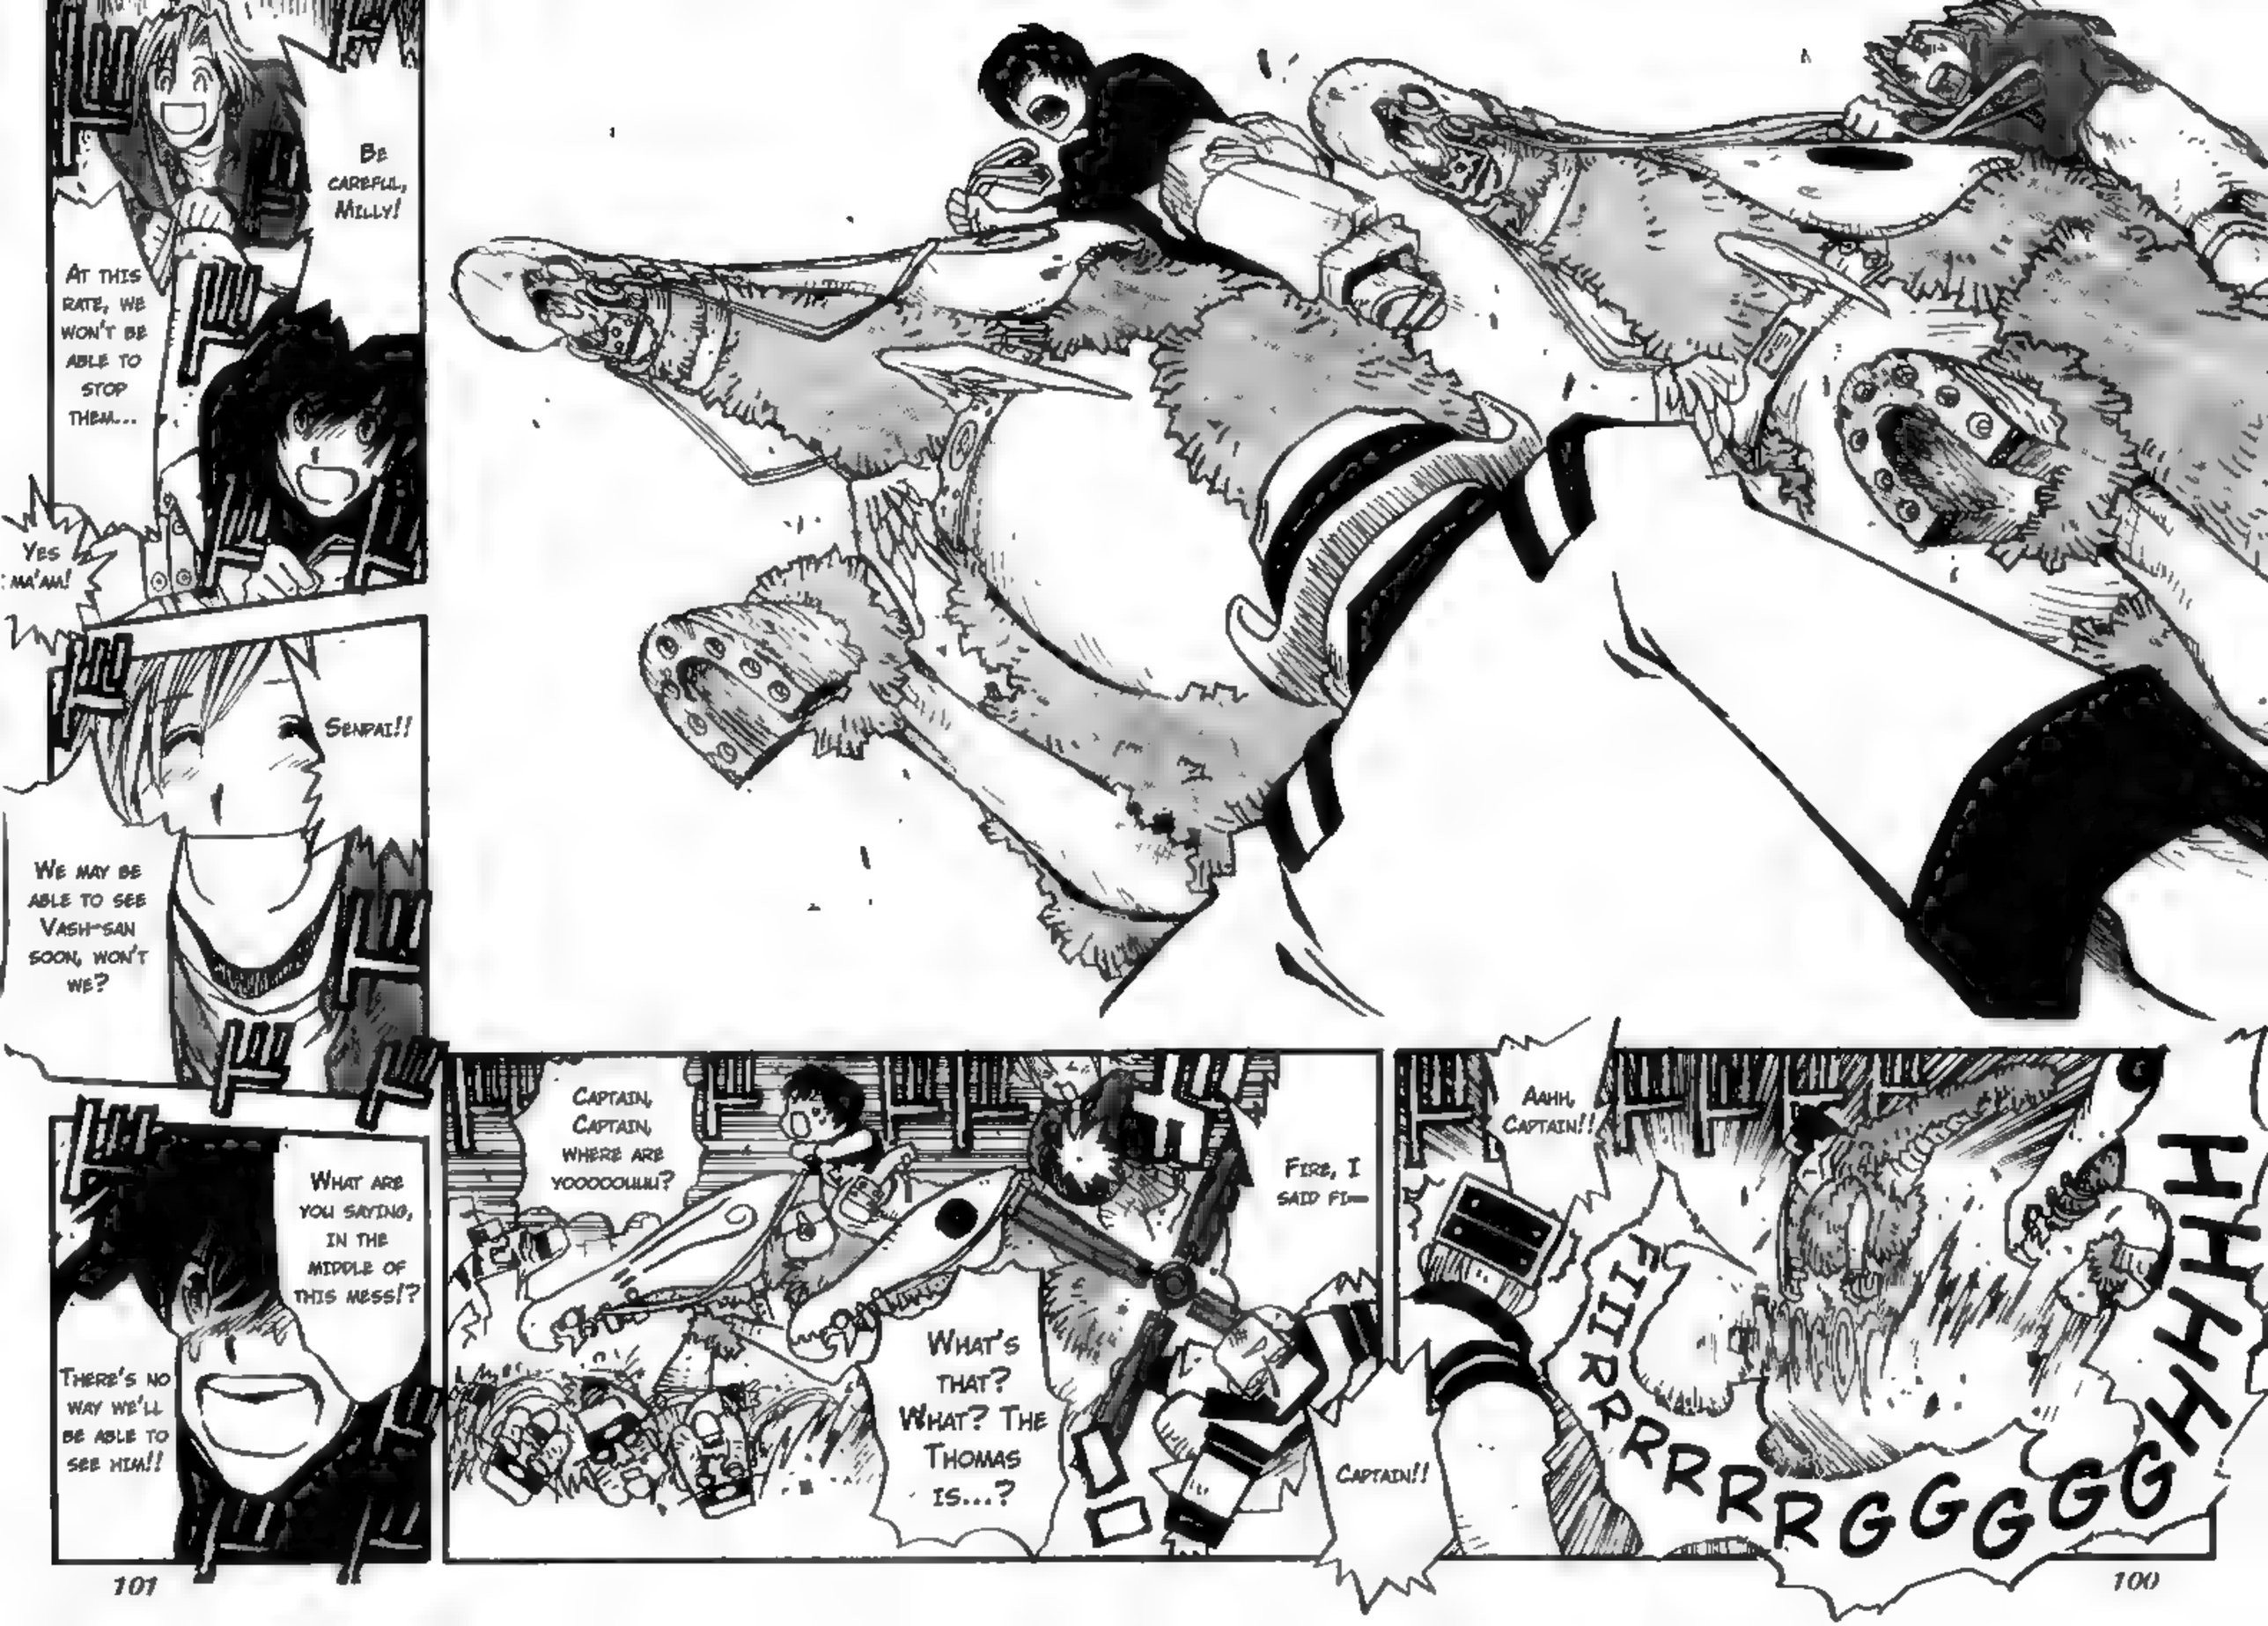


THERE HASN'T BEEN ONE PERSON IN YOUR LIFE WHO HASN'T BETRAYED YOU YET.
IN OTHER WORDS, YOU'VE USED UP ALL YOUR "BULLETS."

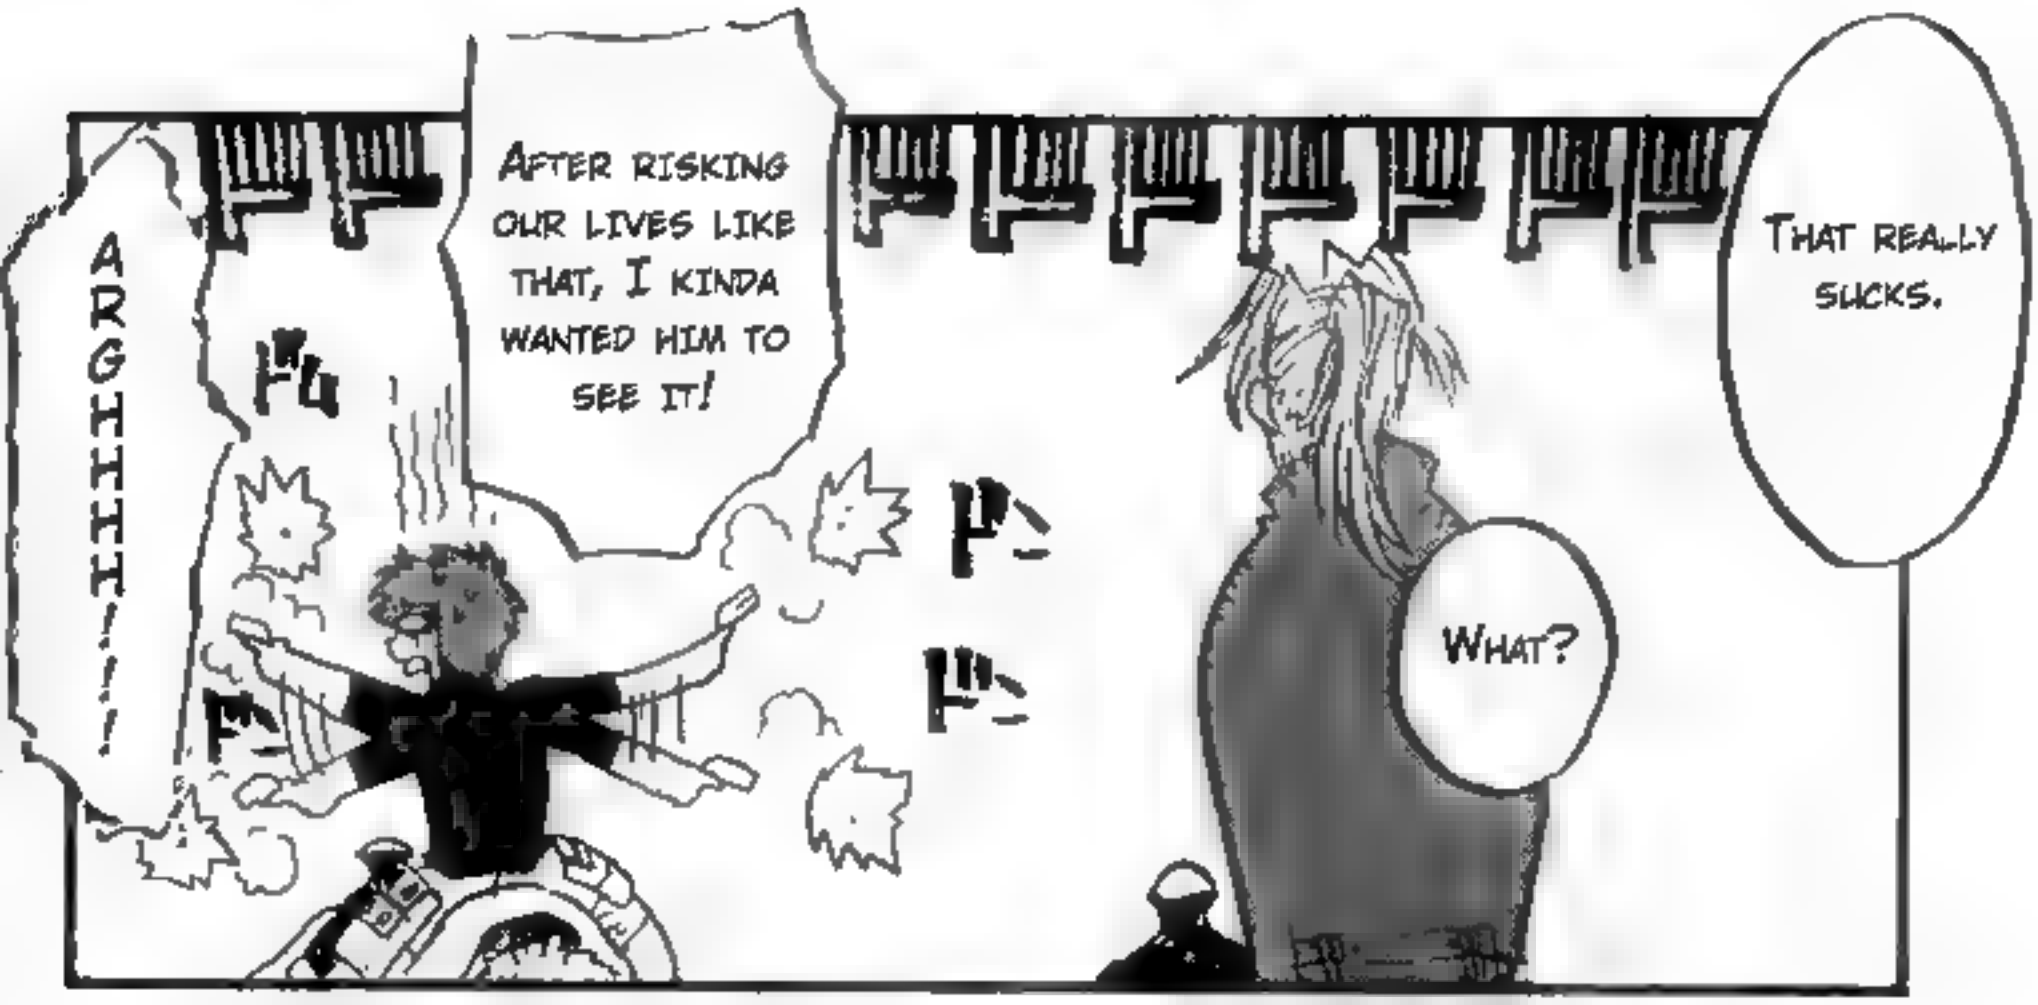
READY.



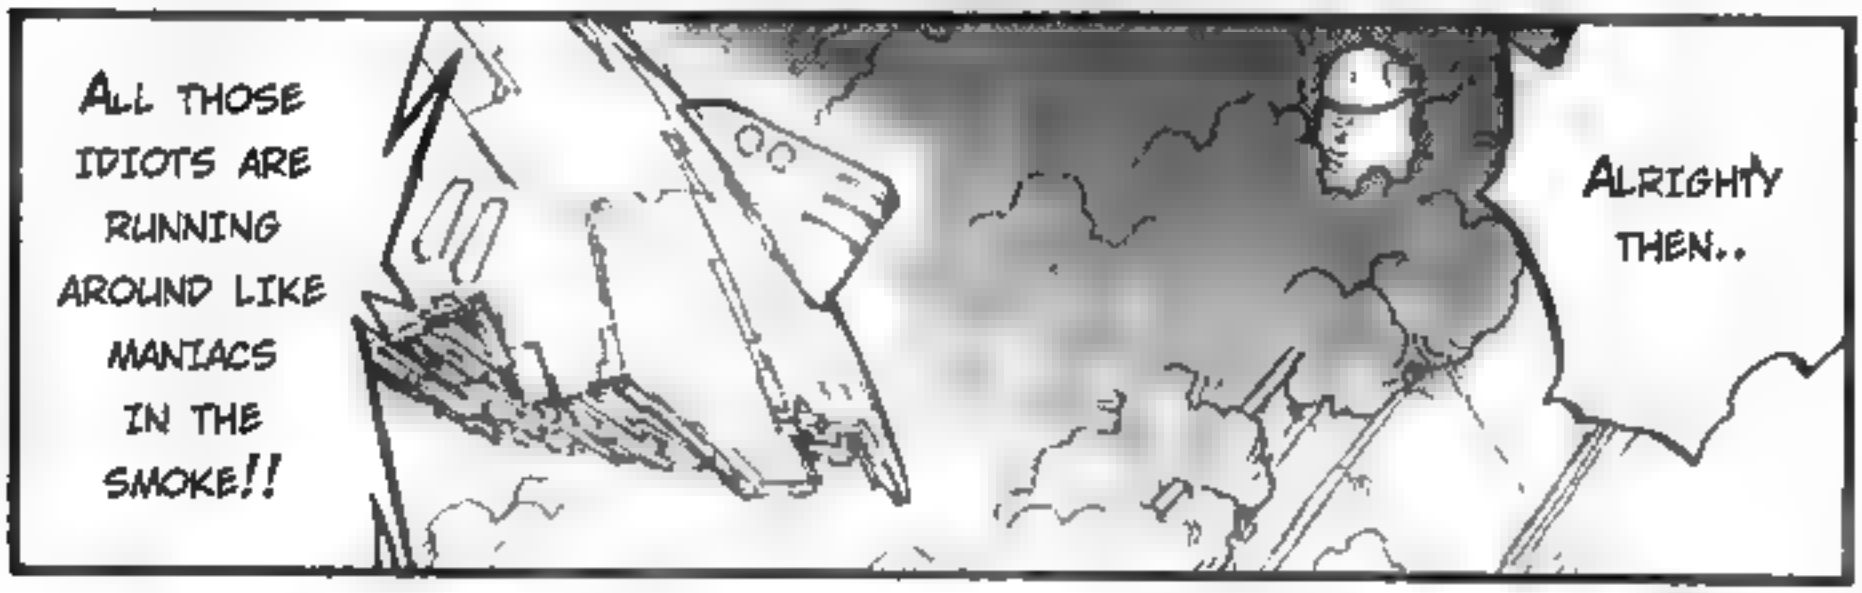
HOLD ON, FIRING SQUAD!!
DON'T MOVE FROM YOUR POSTS!!
..SHIT..
I CAN'T SEE A THING!
THE ALIGNMENT SHOULD STILL BE LOCKED ONTO THE TARGET!
FORGET ABOUT IT!
AAND.. READY..
KEEP THE FIRING ANGLE STILL!
OOHHH.....
OOHHH.....



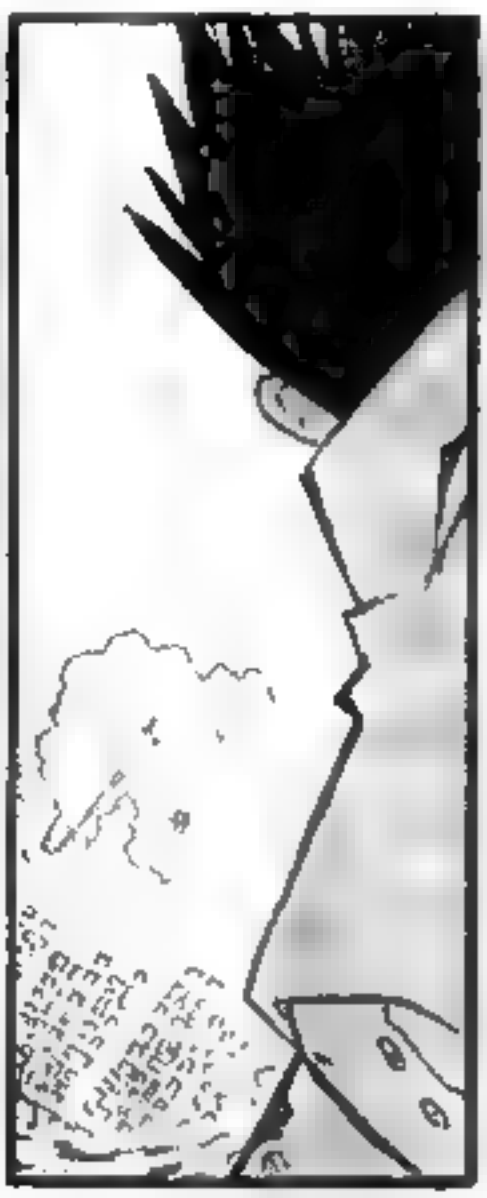
Be careful, Milly!
At this rate, we won't be able to stop them...
Yes ma'am!
Senpai!!
We may be able to see Vash-san soon, won't we?
What are you saying, in the middle of this mess!?
There's no way we'll be able to see him!!
Captain, Captain, where are yoooooouuu?
What's that? What? The Thomas is...?
Fire, I said fi—
Captain!!
Aahh, Captain!!
TTTTRRRRRRGGGGGHHHH



ARGHHH!!
After risking our lives like that, I kinda wanted him to see it!
What?
That really sucks.



All those idiots are running around like maniacs in the smoke!!
Alrighty then..



.....
I'm afraid this is all I can do...
I'm sorry!!

.....
Don't sweat it.
Sorry about that, Knives...
The end of this shitty play has already been determined, after all.
Seems like I'll have to review a bit more.

Collecting the Independant Plant "Domina."
Transferring to Isolation Storage Unit.
We're currently scanning for it.
AND AS FOR PERSONAL SALVAGE...?
The success ratio is under 0.03%.
A complete restoration is certainly out of the question.
There's hardly anything left, after all.
